APPLE DISCLAIMS ALL STATUTORY AND IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND WARRANTIES AGAINST HIDDEN OR LATENT DEFECTS, TO THE EXTENT PERMITTED BY LAW. 1. The Plan.

This service contract governs the hardware services and technical support provided to you by XtraMicro Limited ("iStore") or its successor in title under the above-mentioned plans (each referred to herein as the "Plan") for the Apple Hardware ("Covered Equipment") listed on your proof of coverage document ("Plan Confirmation"). It excludes all accessories including those that are shipped within the original box.

Apple Hardware Two (2) Year Limited Warranty

iCare is an extended warranty plan offered by iStore in Tanzania. It should not be mistaken for AppleCare Protection Plan. iCare is ONLY applicable for Tanzania and any repair claims can only be made in Tanzania at iStore.

2. When Coverage Begins and Ends.

Coverage begins when you purchase the product and ends **two years** later (“Coverage Period”). The maximum coverage period is two years from the date of purchase for MacBooks, iMacs, iPads and iPhones. To obtain your Plan Confirmation, register your Covered Equipment and your Plan’s registration number (“Plan Agreement Number”) with iStore. If auto-registration is available, your original sales receipt will be your Plan Confirmation. The terms of this Plan, the original sales receipt for your Plan and the Plan Confirmation are each part of your service contract. The price of the Plan is contained in the original sales receipt. The hardware service and technical support coverage provided by the Plan is additional to the coverage provided by the manufacturer’s hardware warranty and complimentary technical support.

3. What is covered?

3.1 Hardware Service

If during the Coverage Period, you submit a valid claim by notifying iStore that (i) a defect in materials and workmanship has arisen in the Covered Equipment, or (ii) the capacity of a covered battery to hold an electrical charge has depleted fifty (50%) per cent or more from its original specifications, iStore will either (a) repair the defect at no charge, using new parts or parts that are equivalent to new in performance and reliability, or (b) exchange the Covered Equipment with a replacement product that is at least functionally equivalent to the original product. If iStore exchanges the Covered Equipment, the original product becomes iStore’s property and the replacement product is your property with coverage for the remaining period of the original plan.

3.2 Covered Equipment

This plan covers the Apple Hardware listed on the warranty card only. Any other products or accessories whether purchased together or separately are not covered by this plan.

3.3 Technical Support

During the Coverage Period, iStore will provide you with access to telephone and web-based technical support resources. Technical support may include assistance with installation, launch, configuration, troubleshooting, and

The scope of technical support provided to you will vary according to your Plan, as described below.

3.4 Scope of Technical Support

(i) Under iCare for Apple Hardware, iStore will provide technical support for the Covered Equipment, Mac OS, iPad/ iPhone OS and software applications that are pre-installed with the Covered Equipment (referred to as "Apple Software") and connectivity issues between the Covered Equipment and a "Supported Computer", meaning a computer that meets the Covered Equipment's connectivity specifications and runs an operating system that is supported by the Covered Equipment.
